

RELIGIOUS WORK OF Y. M. C. A. OPENS WITH RALLY SUNDAY

Systematic Work Will be Carried on Among the Members of the Association This Year—Bible Study Groups Will be Organized in Every Department of Members.

The Y. M. C. A. proposes to carry on an active religious work during the coming year, and with this end in view, group classes for bible study will be organized at once and the work placed upon a systematic basis. The association workers aim to enroll no less than 50 men and boys in the classes for bible study, which will be but fifteen per cent of the total membership. The first of the religious meetings will take the form of a rally to be held tomorrow. Two meetings will be conducted, both starting at 4 o'clock in the afternoon. One of the meetings will be led by state boys' secretary, J. A. Van Dine, and the other by Rev. J. S. Gould of Hancock.

The different bible study groups of the Calumet association this year will be in the form of Clubs—believing that by the aid of organization the most definite work can be accomplished and the best fellowship enjoyed. The groups will be natural ones, following the same divisions as in the gymnasium except that one need not necessarily be a member of the association in order to join a club. Thus social activities and plans for service can be more readily carried out.

Groups.

Seniors—
1. "Training or Service Club." Leader, G. D. Westerman.

See Mr. Westerman concerning the plans of this club.
2. "Fellowship Club." Following "Introduction to Bible Study" by John W. Cook. An inductive outline of the main facts in and about the Bible—a foundation for all future study. Leader, D. R. McGraw.

Employed boys—
"The coming Athletic Club." Following "The Gospel in Athletic Phrases," by R. A. Waite, Jr. Leader, F. D. Sherwood.

High School—
1. Senior High.
"Life Work Study Club" containing the "Life and Works of Jesus," by W. D. Murray. Based upon Mark's Gospel also following in the form of a discussion club "Life Questions of High School Boys," by J. W. Jenks. Leader, W. M. Ward.

2. Junior High.
"Booster Club." Following "The Christian Race," by Harry L. Smith. Life of Christ by events and short biographies of men who have won out. Leader, to be announced.

Boys' CA—
"Knights of King Arthur." A secret club based on the King Arthur legends. No boy can enter except on invitation and being properly initiated. Chivalry and hero worship are the corner-stones. Each boy reads the life of the hero for whom he is named, and follows "Men Who Dared," by Trumbull. Leaders, C. V. Smith and James Michaels.

Opening Social.

Thursday evening, October 7, at 6:30 the Senior, Employed and High School groups meet together for luncheon for one-half hour, and then forming into their respective groups, elect their officers and make plans for the future.

TO LEAVE NEXT WEEK.

Rev. Coombe, and Family, will depart for Ironwood Thursday Night.

Rev. W. B. Coombe, pastor of the Mitchell Methodist church of Neenah, who was assigned to the pastorate of the Ironwood church at the Detroit conference, will preach his farewell sermon here Sunday, and the pulpit will be occupied by his successor, Rev. D. C. Plattner, the following Sunday, says the Neenah department of the Mining Journal. Rev. Coombe and family will leave here next Thursday night. Rev. W. J. Edmon, the retiring pastor at Ironwood, was promoted to the superintendency of the Port Huron district and will leave for there the coming week. Rev. Edmon was last year appointed by the conference an one of the delegates to the general conference at Baltimore, Md.

Rev. Coombe yesterday said that he has no reason to feel disappointed with the change, though this removal came as a surprise to him as he fully expected to return to the Neenah parish. At a meeting of the congregation held prior to the conference he was endorsed by a unanimous vote and invited to remain the coming year. Some few years ago he received a call from Ironwood, but declined it. He did not know that it was to go to Iron-

D'URBANO'S BAND WINS APPLAUSE AT THEATER

A good crowd greeted the D'Urbano Italian band on its return to the Calumet theater last night, and the splendid program rendered was much appreciated by all present. Each number was received with applause and the musicians responded with an appropriate selection.

The concert which have been given in this city have won the appreciation of every lover of music, and although the patronage has not been as good as each entertainment as it might have been, the engagement has thus far been successful. The band will give another concert at the theater this evening, at which popular selections will be rendered, and on Monday evening the program will be selected by request. The program to be rendered this evening is:

1. Remember you—Von Tilzer.
Post and Precent—Stuppi.
The Blue Danube—Strauss.
Vocal solo, selected, by Miss Reid.
2. Travellers—Verdi.
PART II.
The Prince of Tonight—Howard.
Jolly Fellows—Volstead.
Vocal solo, selected, by Miss Reid.
Selection from Carmen.

WOMAN'S CLUB FALL SEASON OPENS WITH GOOD PROGRAM

The fall season of the Calumet Woman's club opened with a season conducted in the Y. M. C. A. building yesterday afternoon, from now until the holiday season meetings will be held at intervals of one week, on every Friday afternoon. The program for next Friday afternoon is on "History and Art" and will prove a very enjoyable one. The first public day will be on Oct. 22 and as this feature proved a very interesting one last year, it is expected that the same will be true next year.

The opening number of the program yesterday afternoon was an introductory address by Mrs. Anna H. Hall, the retiring president, who gave a brief resume of the work accomplished last year, and who introduced Mrs. Elizabeth W. Seiden, the new president. Mrs. Seiden gave an outline of the program which is to be followed this year, and commented upon the work in a general way.

This being the first meeting of the season the reports of the various retiring officers were presented and approved. The report of the retiring secretary, Mrs. Margaret W. Vivian, and of the treasurer, as well as of the auditing committee were presented, and the auditing committee dwelt upon the fine condition of the books of the club.

The summer civic committee through its chairman, Mrs. Pauline Weitzel, submitted a report of the flower show and outlined the program which has been made by the club along this line during the summer months. This committee will be succeeded by a new committee, named at the regular election, which includes the following: Mrs. L. Belle Deft, chairman, Mrs. Anna H. Vivian, Mrs. Ingeborg Gullberg, Miss Libbie Dawe, Mrs. Clara C. Gerdner, and Mrs. Marie Johnson.

A resume of the club history for the past year was submitted by Mrs. Flora Peterson, and two vocal selections were given by Mrs. Laura Linton of Mauden, Miss Helma Penhaligon rendered a piano solo.

At the close of the regular program lunch was served under the direction of Mrs. Jennie Larson during which time the high school orchestra rendered several selections. The luncheon was a green and white affair, these being the colors of the club which also predominated in the hall decorations.

EXPLAINED.

R. A. Scott-James says "Existence means much to the poet."

"This probably accounts for the deluge of poems on 'Spring, Balm Spring.'"

"Correct." "Now, what do you suppose would have happened if he had given the Eskimos a chocolate éclair?"

Wood until a short time before the appointment was announced. The Ironwood congregation is a little larger than the one here, and it has a fine church property and parsonage. The church is provided with a pipe organ and the parsonage is a modern dwelling.

DISCOVERED BOTH POLES.
"Dr. Cook gave the Eskimos a gum-drum and reached the north pole."

"Correct." "Now, what do you suppose would have happened if he had given the Eskimos a chocolate éclair?"

Wood until a short time before the appointment was announced. The Ironwood congregation is a little larger than the one here, and it has a fine church property and parsonage. The church is provided with a pipe organ and the parsonage is a modern dwelling.

8 p. m.—Meeting Tuesday, Thursday, and Saturday.
All meetings at hall 420 Fifth street.
Mohawk M. E. Church.

9 a. m. Class meeting, John Rowa, leader. Class meeting, James H. Richards, leader.
10:30 a. m. Preaching services, Rev. H. Maghway.

2:30 p. m. Sunday school, Singer P. Williams.
6:30 p. m. Preaching services, Rev. H. Maghway.
7:30 p. m. Tuesday Ladies' class, leader Wm. Nichols.
7:30 p. m. Wednesday prayer meeting.
7:30 p. m. Friday evening Bible class.

LAURIUM

LAURIUM IS PLEASED WITH NEW TREATMENT OF STREETS

President Reynolds States That Tar Macadam Dressing Has Given Entire Satisfaction and That More of It Likely Will be Used on Other Streets Next Summer.

"We are very well pleased with the tar macadam dressing that has been placed on some of the streets of Laurium," said W. J. Reynolds, president of the village, to a News man this morning. "It has given entire satisfaction. It is cheap, too, which is a matter for consideration in the building and paving of streets, especially when one has to contend with a village of this size, and further," said Mr. Reynolds, "I happen to know that members of the street committee, who were really responsible for the tests being made are more than pleased with the results. There is every likelihood that more of this particular kind of dressing for streets will be laid next summer. It is absolutely dustless, has much to recommend it from a wearing point of view, and is the next best thing that I know of outside of the several costly paving materials."

While a lot of money has been spent the past summer and is being spent at the present time in improvements, nothing but what has been absolutely needed has been taken in hand.

The new lighting system is practically completed, according to President Reynolds, and the water question is being grappled with as fast as possible. Meters are being installed weekly, and the time is not far distant when every home in the village will be on the meter plan.

The News has it on excellent authority that when the meter plan has been fully installed in Laurium, that the cost of water to users will be lowered considerably.

FLORIDA WATER COMPANY IS MAKING FINE PROGRESS

The force of men which has been engaged in installing the pipe of the Florida Water company for the past few weeks is making fine progress and by the end of next week, it is expected that the entire system will be complete and that the water will be turned on for the use of the consumers. The force of men numbers about twenty-five, and thus far about 8,000 feet of pipe have been laid, leaving a balance of about 2,500 feet to be installed. As the pipe is being laid at a rate of about 800 feet per day, it is estimated that but a short time will be required to complete the system. The last shipments of pipe, about five carloads, were received this week, and the company now has enough pipe to complete the system.

Several tests have already been made of the pipe installed, and they have proven to be satisfactory. It is expected that the work of tapping the mains for the individual subscribers will be started next week. Meters will be installed for each consumer. The rates which will be charged for water have not been determined as yet, but will be announced after the next meeting of the directors. About 7,000 feet of pipe remains to be covered, but this can be easily accomplished before the arrival of the cold weather.

NEW ROAD IS WANTED.

Laurium Residents Want Shorter Route to the County Road.

The residents of Laurium will probably urge in a short time the establishment of a township road running from the south end of Hecla street, Laurium, to Union or Columbia streets, Raymbaultown, which will provide a connecting link between the streets of that village and the county road. The project has never been formally taken up, although for years the residents have been anxious to bring the question before the proper authorities.

At present Laurium residents must use a roundabout way to reach the county road, and it is urged that the completion of a highway between the south end of Laurium on Tamarack or Hecla streets would simplify the route to Houghton. It would make it possible for persons using the county highway to come direct to Laurium, instead of passing through several streets in Calumet location.

The expense of constructing such a road would be a very small matter, and it is possible that the village council would find it possible to assist to some extent. The entire road would not need to be more than 1,500

Rev. H. Maghway leader.
Calumet Baptist Church.
Morning—Services in charge of Rev. C. H. Rutledge.
Evening—Service in charge of State boys' secretary on the Y. M. C. A. who will talk on the work with boys.

You Won't Have "Cold Feet"

If You Buy Our Coal

This is both literally and parigorically true. Good Coal goes a long way toward making good conditions in the home, while bad Coal—but what's the use—Buy our Coal and Wood.

ED. ULSETH Coal & Wood Phone 7

feet long, and very little grading would be necessary.

LAURIUM BREVITIES.

Robert Stead, formerly in the employ of the Hooking Electrical company has gone to the Soo, where he intends locating.

Treasurer Frank Bagliore of Laurium, states that the tax collections have reached \$17,900 or about one-half the amount due the village. Special efforts are being made to collect the taxes as rapidly as possible.

All arrangements have been completed for the Laurium races which take place this afternoon in the Laurium Athletic park grounds. The entries are numerous, and contain some of the best animals in the northwest. There will also be a hammer and drill contest, for which there are several prizes.

The funeral of the child of Mr. and Mrs. Dix of Lake Linden avenue, took place yesterday afternoon, with interment in the Lake Linden cemetery.

Mrs. D. Collins has returned from Milwaukee, where she spent a week visiting friends.
John Daniels, president of the S. & G. mining company, is home from a business trip to Joplin, Mo., and other points.

Rev. C. H. Rutledge of Ishpeming, head of the Anti-Saloon league, is a Laurium visitor, and will spend Sunday here. Sunday morning he will preach in the Laurium Baptist church, and in the evening he will occupy the pulpit of the Laurium M. E. church.

TORCH LAKE NEWS

HORTENSE NIELSEN TALKS.

Entertains Students of Lake Linden High School With Ibsen Story.

Miss Hortense Nielsen spoke on Ibsen's work to the one hundred and fifty pupils at the Lake Linden high school yesterday afternoon. Miss Nielsen is a perfect example of the Ibsen student. She met Ibsen some years ago in Norway and she studied the part of Nora Helmer and she studied the part of Nora Helmer long before appearing in the play.

The talk to the students was very pleasing. Miss Nielsen has a highly cultivated voice and every word she uttered could be heard distinctly in the auditorium. She dwelt principally on the life of the great Norwegian poet and dramatist, declaring that he knew human nature and went deeper into the human soul than any other writer who had ever lived. He understood people, their faults, and their weaknesses more than any of the ancient or modern writers. The speaker compared Ibsen's call to the women of the stage with that of the call of Peary and Cook to the north pole, as difficult are they to interpret. Ibsen, she declared, gave his works to the world. He was a socialist and lived and died a poor man. His royalties from his works were very small.

WILL GIVE ANOTHER DANCE.

Because of the success of their entertainment conducted Tuesday evening, the members of the Lake Linden band have decided to hold their next promenade October 16 instead of waiting till Thanksgiving evening. Director V. H. Gillette is preparing an other program for this dance and the band will hold their first rehearsal Tuesday evening. These will be continued regularly every week till the evening of the dance.

TORCH LAKE BREVITIES.

Miss Bessie Banberry of Lake Linden, has returned from Lower Michigan, where she has visited for several weeks.

Lawrence Harold of Hahbel, left last evening for Ramsey, Mich., where he accepts a position as mine surveyor.

John Sanders of Houghton, and John Hermann of Lake Linden have returned from the Entry, where they spent yesterday, partridge hunting.

Richard Stodden of Butte, has been visiting at the home of his daughter, Mrs. William Franks of Lake Linden for a short time.

D. W. Sutter and Willard E. Gray of Lake Linden, are spending a few days in the woods in quest of partridge.

General Manager W. F. Fitch of the D. S. & A. road was a business visitor among friends in Lake Linden on Thursday.

Oscar Pollard of Calumet and J. Coddau of Victoria, visited among friends in Hahbel this week.

The University of Illinois football squad practice at night, under electric lights.

Hoardiness in a child subject to croup is a sure indication of the approach of the disease. If Chamberlain's Cough Remedy is given at once or even after the croupy cough has appeared, it will prevent the attack. Contains no poison. Sold by Eagle Drug Store, Calumet, and Laurium Pharmacy, Laurium.

RADIANT STEWART

The Leader of Them All

The position of this stove as LEADER among first-class base burners is firmly established. The accuracy with which all parts are fitted insures perfect operation.

SPECIAL FEATURES.

The most beautiful, highly polished nickel work found on any stove. Patent screw draft damper, insuring perfect control of fire.

One piece firepot, removable through upper front doors.

Improved automatic magazine gas cover.

The only perfect combination shaking and duplex rate.

Extra large hot-air flue connecting with double heating attachment. Nickel will not discolor from heat.

Prices Reasonable, Terms Lenient, Liberal Cash Disc't

In the beauty of design and finish, ease of operation and great fuel economy the STEWART leads them all.
